Employment Standards Administration
Office of Workers' Compensation Programs

September 10, 2003

Dear Provider:

Thank you for your participation as a provider for the U.S. Department of Labor, Office of Workers' Compensation Programs (OWCP).

The OWCP administers the Federal Employees' Compensation Act (FECA), the Coal Mine Workers' Compensation Program (DCMWC), the Energy Employees Occupational Illness Compensation Program (EEOICPA) and the Longshore and Harbor Workers' Compensation Program (LSHWC). As part of their benefit structure, these four programs reimburse both, medical and non-medical providers for services rendered for the care and treatment of a claimant's compensable condition.

OWCP has contracted with Affiliated Computer Services (ACS) to provide medical bill processing services to the four programs. Each program will be phased in over the next two years beginning with the Federal Employees' Compensation program later this year. Providers of services to DFEC should continue to bill the program at the London, Kentucky address listed below. Providers of services to the other OWCP programs should continue sending bills directly to those programs.

To process your bills, each provider **MUST BE ENROLLED** with ACS. Please complete the enclosed provider enrollment form so that a provider I.D. number can be assigned to you. **Effective July 26, 1996 the Debt Collection Improvement Act of 1996 MANDATES that payments made by the Federal Government be sent by electronic funds transfer (EFT) therefore, an enrollment form for EFT is also enclosed. A Remittance Advice listing all bills paid on each EFT transaction will continue to be sent to your mailing address.**

In addition to the provider and EFT enrollment forms enclosed are instructions for completing the enrollment form, a list of provider types, a list of provider specialty codes and an Electronic Data Interchange (EDI) form should you choose to bill electronically.

Please send the completed package to:

Affiliated Computer Services (ACS)
